A vibrant landscape featuring a vast field of sunflowers in the foreground and middle ground. The sun is low on the horizon, creating a warm, golden glow that illuminates the scene. The sky is filled with soft, wispy clouds, and the overall atmosphere is peaceful and serene. The sunflowers are in full bloom, their bright yellow petals contrasting sharply with the dark brown centers and green foliage.

A collection of dried purple flowers, possibly baby's breath, arranged in a circular pattern around the central text. The flowers are in various stages of drying, with some showing their original color and others appearing more muted. The stems and small green leaves are also visible.
