# PRAYERS

Barb Van Es is undergoing chemotherapy for cancer.

Eldon Sneller, brother of Leon Sneller and Lavonne De Jong, is undergoing chemotherapy for cancer.

Joy De Jongh's 2-year-old niece, Taylyn Vander Schaaf, (daughter of Kyle & Janae) has been diagnosed with acute lymphoblastic leukemia.

Jonathan Schmidt is deployed to the Middle East. If you would like to send him cards, well wishes, etc., put them in Stacey Schmidt's church mailbox and the family will see that he gets them.

Rain is needed to lessen the fire danger associated with harvesting in dry conditions and to replenish the ground. When called upon, our first responders put their own safety in jeopardy in response to emergency situations. Please pray for rain, safety for all who are harvesting, and for our first responders.

Kayla Den Hartog's brother had hip surgery in August for hip impingement and will have the next surgery on Nov. 15.

Kayla Den Hartog no longer has idiopathic intracranial hypertension. The threat to her long-term vision has subsided, however, her surgeon suggested that she get checked in the foreseeable future since this condition can be hereditary.

Jody Van Kley spent this past week (Oct. 7-11) at a special clinic for patients learning to walk again. Prayers that this clinic will help her be able to (literally) get back on her feet.
